Les Pikmin peuvent danser

by MiaQc

Summary

Une mignonne fanfiction d’une phrase. La Skullgirl Marie et des Pikmin dansants.

- Translation into English available: Pikmin can dance by MiaQc

Marie, portant toujours un uniforme de *maid*, est surprise quand un groupe de Pikmin se mit à danser alors qu'elle joue du piano, mais comme ils ont le rythme dans la peau, la Skullgirl continue de jouer avec entrain.
